## LORD MAYOR TO OPEN CONFERENCE.

Probably the most representative conference of youth leaders yet held in Melbourne will be sponsored by the Suburban Club Movement on Saturday, November 19th, in the Y.M.C.A. Social Hall, when representatives from Clubs, Churches, Youth Departments, T.O.C.H., Scout Movement, Boys' Brigade, and other organisations will meet to discuss matters of vital interest on the development of Boys' Club work.

The conference will be opened by the Right Hon. The Lord Mayor of Melbourne, Cr. Arthur W. Coles, at 2.45 p.m., and will continue until 10 p.m.

There will be four discussion periods which will deal with the physical, spiritual, educational, and social aspects of the Movement, and each section will commence with an opening address by a prominent speaker, followed by group discussion.

The conference will provide a splendid opportunity for combined

thinking and constructive discussion which should add an even greater interest to the movement next year.

A feature of the conference will be the fellowship tea at 6 p.m. where an opportunity for informal discussion and friendly conversation will be given delegates. The purpose of the conference is to bring together from all sections of the community those who have at heart the welfare of boys and are prepared to make their experience available

to make their experience available to others, and to help promote a wider programme of activities among our Boys' Clubs, which will enable us to be a greater factor in the all-round development of our future manhood.
