

# **Jubilee of Girls' Life Brigade**

A world-famous organisation, the Girls' Life Brigade is this year celebrating its golden jubilee in London. It is a sister organisation of the Boys' Brigade.

The Girls' Life Brigade in Victoria, an offshoot of the parent body, held its annual church parade at Malvern Baptist church last Sunday. Tonight it will give a display in the hall of that church.

There are three companies in Victoria, with a membership of 80.

This movement is undenominational.
