

CHURCH OF CHRIST

Last Tuesday the ladies of the church completed the packing of a number of parcels for people in Britain, making 23 in recent weeks.

Fourteen of our Endeavourers represented us at the Regional Conventions at Geelong and Ballarat last weekend. Meetings up to 1200 in number are reported. At least 78 young people committed themselves to Christ for initial surrender, re-consecration, or for training for full-time service wherever God may need them. The chief speakers were Rev. Lionel B. Fletcher, Rev. H. M. Arrowsmith, Rev. E. H. Watson, Rev. L. J. Gomm and Mr G. M. Mathieson. Many Horsham friends shared in the broadcast from B.A. on Sunday afternoon from Wesley Church.

New uniforms for the 1st Horsham company of the Boys' Brigade will be issued tonight at 7.30. Mr. Alan Cook gave a most interesting talk (illustrated with curios) of his experiences abroad while attached to a Red Cross unit last Friday. Mr. Frank Simpson is ably leading this group. The B.B. motto for 1948 is: "Quit you like men, be strong."

Mr. Alf. Harmer has recently accepted the leadership of the Junior Endeavour Society. Misses Gwenda Sheehan, Lorace Harmer, Freda Mackley and Margaret Smith will be committee conveners. Miss Verna Harmer is the newly appointed secretary. "Convention Echoes" was the subject of last Tuesday night's Y.P.S.C.E. meeting.
