

CHURCH OF CHRIST

All additional seating which could be brought into the building was required last Monday night for the closing meeting of the Spiritual Crusade. A further delegation from Kaniva and Warracknabeal shared the inspiration of the gathering.

At the close of a memorable service, Mr. Ralph Hovey, secretary of the circuit, expressed the congregations' thanks to God, to the Missioner, organists, soloists, ushers and all others who assisted.

A monetary gift to Mr. T. Hagger was followed by the missioner expressing his delight at having been in our city. The co-operation of so many people, including "The Horsham Times," widened the influence of such meetings.

The church is desirous of gathering any photographs relating to historical events in the life of school or church from which a filmstrip can be made. If you have any such, please let us have them.

Members of the 1st Horsham Company of the Boys' Brigade have been very active this week seeking financial support for the advancement of their work. This is an Australia-wide effort for B.B.

Three £10 gifts have recently come to hand from people interested in the furnishing of the Haven chapel. We are most grateful.

Renewed interest in all departments of church work is confidently expected after the spiritual uplift which has come to so many in recent days.
